

2018 Mississippi QSO Party

Comments from the 171 logs received for the Fifteenth Mississippi QSO Party in April indicate that propagation was not great but there was plenty of activity. The logs indicate that a record 95 Mississippi Stations were on the air in 70 of the 82 counties. From outside of Mississippi DL3DXX made 32 QSOs from Europe and K2DSW in Iowa made 77 QSOS from stateside.

Special thanks to the mobiles and portables, who put a lot of counties on the air that would otherwise not have been available. A pat on the back for NO5W/M, W3DYA/M, KC4HW/M, KK4TE/M, W4SIG/M, K5CUB/P, and K4FMH/P. On note of interest, NO5W/M (2nd Op W5GAI) made 753 QSO's from 25 counties. Now that's hard work! And last, but not least, thanks to N5NA for coordinating mobile routes and portable locations with his website and AG5Z for helping to check logs.

Also, thanks to the following for sponsoring plaques: 599 DX Association, the Magnolia DX Association, the Jackson ARC, the University of Mississippi ARC, K5TAL – American Legion Post 1992, the Chickasaw ARA, the Hattiesburg ARC, and the Vicksburg ARC. Those stations winning plaques were:

High Score Mississippi Station (single op) – K5SVC
High Score Mississippi Station (unlimited ops/xmtrs) NA5NN – (K2FF and W5UE Ops)
High Score Mississippi Portable (unlimited ops/xmtrs) – K5CUB/P (2nd Op W5JGW)
High Score Mississippi Mobile (Op with no driver) – W3DYA/M
High Score Mississippi Mobile (Op with driver) - NO5W/M (2nd Op W5GAI)
High Score Mississippi Club – 599 DX Association
High Score Out of State Station (W/VE) – K2DSW
High Score DX Station (outside W/VE) – DL3DXX

The top ten Mississippi Stations (single op) were: K5SVC, N4OGW, N5CW, K5WNU, AC5Q, KJ5RC, NM5Z, W5THT, K5OLV, and K5YVY.

MSQP results are being sent out by email to those who provided an email address or otherwise by snail mail. Those eligible for plaques and certificates will received them somewhat later by snail mail or club presentation. Remember next year the QSO Party will be held the first full weekend of April. Put April 7-8, 2018 on your long-range calendar!

The results are provided below. Note that the numerical columns are QSO Points (1 SSB and 2 CW/digital), multipliers worked, and final score.
